#YouShape Month Badge Requirements – Cub Scouts

To achieve this badge, Cub Scouts must complete the following over the course of February:

1. Hold a Pack Forum to decide something of your choice (Badges, games, trips, etc.) or collect feedback from the Cub Scouts.
2. Each week a six designs a game and runs it for the rest of the pack

Leaders are an important part of achieving Youth-Shaped Scouting. Leadership teams can help Cub Scouts earn this Badge by planning the above activities into their programme.

#YouShape **Tip**

Try incorporating the Forum into a game to keep the attention of the Cub Scouts. Maybe a relay race where they run, choose a certain coloured counter for their option, they run back.
