## Area Commissioners Challenge

### #YouShape Month Badge Requirements – Explorer Scouts

To achieve this badge, Explorer Scouts must complete the following over the course of February:

1. Hold a Unit Forum and plan the programme for the next 10 weeks
2. Plan an overnight event
3. Find out what your District and Area do to support and develop Youth-Shaped Scouting

Leaders are an important part of achieving Youth-Shaped Scouting. Leadership teams can help Explorer Scouts earn this Badge by planning the above activities into their programme.

#### #YouShape Tip

*Youth-Shaped Scouting doesn't have to stop at a forum. Maybe give the Explorer Scouts the chance to follow through on their ideas by helping to incorporate them into the programme or camp?*
