#YouShape Month Badge Requirements – Scouts

To achieve this badge, Scouts must complete the following over the course of February:

1. Hold a Troop Forum to decide something of your choice (badges, games, trips, etc.) or collect feedback from the Scouts
2. Hold a Patrol Leader and Assistant Patrol Leader Meeting to plan a 6 week programme
3. Encourage the Patrol Leaders and Assistant Patrol Leaders to run an activity
 - For Younger Scouts, or Younger Sections

Leaders are an important part of achieving Youth-Shaped Scouting. Leadership teams can help Scouts earn this Badge by planning the above activities into their programme.

#YouShape **Tip**

Why not let you Patrol Leaders lead the Patrol Forums that feedback to the Troop? This could develop leadership skills that can count to a number of activity and challenge badges
